NOTICE OF INACCURATE OFFICE ACTION; REQUEST FOR CORRECTED OFFICE ACTION

Upon review of the Office Action mailed April 12, 2005, it appears that the Examiner's rejections are based on the original claims 1-40 filed in the patent application (Serial No.: 10/202,231), filed July 24, 2002. This application has now issued as U.S. Patent No. 6,662,518. On October 14, 2003, a Continuation Application was filed with a Preliminary Amendment canceling claims 1-40 and adding new claims 41-60.

Applicant left voice messages with Examiner Horton on May 17, 2005 and May 19, 2005, explaining the confusion of claims rejected in the current Office Action. No response was received. Pursuant to a telephone conversation with Supervisor Carl Friedman on May 25, 2005, Applicant respectfully requests examination of pending claims 41-60, and the issuance of a corrected Office Action, with the time period for response to be reset.

Respectfully submitted,

Date: 5/26/05
